Creating Cooperative Learning Groups

Take a moment to make sure your plan for making cooperative learning groups is going to work.

Ask yourself the following questions:

Have I chosen an activity that is conducive to cooperative learning groups?

Yes No

Have I chosen group sizes that lend themselves to allow all students to participate equally?

Yes No

Have I been purposeful in how I chose the student makeup of the groups?

Yes No

Have I considered if some groups or students might need some extra support in order to work successfully in their group?

Yes No

If you answered "No" to any of the questions above, identify at least one action that you can take to make progress in that area.

Complete the following sentences in your own words:

It is important for me to make this happen in my classroom because...

I am confident that I can effectively create and implement cooperative learning groups in my classroom because...
