

Use the following forms to 1) define your classroom rules and 2) develop a lesson for how you will teach specific rules in your classroom.

Classroom Rules for Success
List three to five positively stated, specific, observable, and concise rules that will allow students to be successful in your classroom all year long.

Develop a plan to teach students in your classroom the rules and routines. It will be helpful to review the lesson plan throughout the year.

Define Rule or Routine:
Teach: How will you teach this rule or routine to your class?
Model:
Positive example:
Negative example: <i>(Remember to only demonstrate the "wrong" way yourself and not to have any students model the incorrect procedure.)</i>
Practice:
Praise/Reinforce: <i>(Pre-correct and plan for providing behavior-specific praise statements.)</i>
