

Reflection: Identifying Reinforcers for the Classroom

Take a moment to consider the options you have listed in each category.

Ask yourself the following questions:

Have I chosen reinforcers that are easy to administer?

Yes No

Have I chosen reinforcers that are low cost?

Yes No

Have I chosen reinforcers that are inclusive of all children in the classroom?

Yes No

If you answered "No" to any of the above questions, what are some ideas for overcoming these challenges?

- What might get in the way of using this strategy in my classroom?
- What do I need to make this happen in my classroom?

Complete the following sentences in your own words:

It is important for me to identify effective reinforcers for my classroom because...

I am confident that I can complete a reinforcer survey in my classroom because...
