

Reflection: Posting and Using a Schedule

Take a moment to reflect on whether the plan you have developed for posting and using a schedule will work.

Ask yourself the following questions:

Did I devote 80% or more of the schedule to academic activities?

Yes No

Is the duration across activities accurate and appropriate?

Yes No

Will students be able to easily view and understand the schedule?

Yes No

Have I planned for times when the regular schedule is different (e.g., early dismissal days, special events)?

Yes No

If you answered "No" to any of these questions, what can you change to ensure success?

Complete the following sentences in your own words:

It is important for me to make this happen in my classroom because...

I am confident that I can effectively post and use a daily schedule in my classroom because...
