

## Reflection: Using Active Supervision

Take a moment to reflect on whether your plan is going to work.

Ask yourself the following questions:

Have I clearly identified the behavior expectations for the tasks?

Yes No

Do I have a planned response for both appropriate and inappropriate behaviors?

Yes No

Are there students who will benefit from closer proximity and more frequent reinforcement?

Yes No

Do I have reinforcers on the menu that are meaningful to the students?

Yes No

If you answered "No" to any of the above questions, what are some ideas for overcoming these challenges?

- What might prevent me from circulating while the students are working?
- What do I need to make this happen in my classroom?

Complete the following sentences in your own words:

**It is important for me to make this happen in my classroom because...**

**I am confident that I can use active supervision in my classroom because...**
